Good morning Lauren,

I am working to figure out how much the Aita Gurung trial has cost the State of Vermont, only as to when the Attorney General's Office took over the case in September 2019.

I am requesting individual costs, to include travel, accommodation, and court fees for each witness the state has called to testify leading up to, and during trial. Costs for any Attorney travel, accommodation, fees, and other costs, including overtime payment if applicable. Costs for interpreter services (to include travel/accommodations/fees if necessary) leading up to, and during trial, and any additional costs associated with new technology/equipment to be used for interpretation and simultaneous interpretation.

I would also request any other cost incurred during/before this trial by the state, not mentioned, be included in the data.

Please consider this a request under Vermont's Public Records Law, and the Federal Freedom of Information Act.

Please also call if there is any further information or clarification you need!

Thank you,  
Dom
